- Tuesday, November 1st-NO SCHOOL-Teacher work day

**Please remember that conferences begin this week. I have sent a reminder of your time. Looking forward to meeting with you all to share the wonderful things your children are doing!

****JK CROSS COUNTRY BUDDIES**

In JK, we get to have the Cross Country team as our buddies for the year. We will cheer them on after school for home meets (October 3rd) and cheer them on for away meets before they leave campus. Parents and children, please plan to join us if you are able for the home meet on October 3rd. Parents will pick up as you normally would at the back of the Lower School for carpool and meet us over at the athletic fields between 3:45 and 4:00 after school in the special spectator area. Please let me know if you plan to attend, and I can keep an eye out for you over at the fields. We will bring pom-poms for the children to cheer on our buddies! If you would like to contribute some energy bars for our buddies throughout the season, please let me know. Thank you for your support with this exciting cross-school activity!
