Halloween Parade and Party Information:

Please send children to school in their costumes on Friday morning and with a complete change of clothes in a bag. We will change the children out of costumes during/after the party. We will do our best to keep everything organized and ready for your Halloween weekend activities (if applicable.) Please understand that sometimes spills/accidents occur during the party. We would love to have you at the party which will begin after the parade, at approximately 9:30 a.m. Unfortunately a decision has been made that parents will not be able to come and watch the parade. We will have fun at the party though! Come and we'll put you to work! If you can't make it, don't worry we'll take lots of pictures! Remember no weapons and nothing really scary. Thank you!
