## Don't Forget

Wednesday, August 31  
Lower School Parent Coffee  
8:45 Lower School Library

Monday, September 5  
Labor Day - No School

Wednesday, September 14  
Picture Day

Please send a change of clothes and tennis shoes in a labelled bag. We will help your child change out of their picture outfit and into their PE/school clothes!

What a great first week! Amy and I were thrilled to meet each of you and your sweet children. There have been so many new things for your child to absorb this week and they have stepped up like they have been in kindergarten their whole life! We are learning to be independent as well as many school routines. As long as they know that they are going to eat and play, they will do anything that we ask of them! Your children are delightful and I know that they are tired when they come home.

### LEARNING IS FUN!

This week, we began with a review of colors and shapes. Each child is constructing a version of "Brown Bear, Brown Bear". While talking about yellow, we read a book about a yellow lion and then painted our own. We used circles, triangles, curves, and straight lines to paint yellow lions.

### Back To School Night

Save the date on Thursday night, September 15. That evening, all parents are invited to our classroom to see what we do at school. We can't wait to share with you.

*Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood. –Fred Rogers*
