## What We Are Up To

### LEARNING IS FUN!

ABC Boot camp is off to a great start. As you could tell from the silly hats, we worked with letters Aa, Bb, and Cc. We learned/reviewed the letter names, their sounds, and the strokes to write each letter. This week we will tackle four more letters. We use poems, games, and hands on manipulatives to reinforce each sound.

In math, we are working on sense, sorting, and different ways to represent each number.

In addition, phonemic awareness and social skills are part of our everyday routine.

### SPECIALS

Please remember that we have art on Tuesdays.

Please don't put your child in his/her best clothes.

### SECRET STORY

Please ask your child about the "th" secret!

"As human beings, our job in life is to help people realize how rare and valuable each one of us really is, that each of us has something that no one else has – or ever will have – something inside that is unique to all time." - Mr. Rogers
