## Don't Forget

**Outerwear** - Please remember to label all coats, sweaters, hats, and sweatshirts with your child's name. They usually can't identify it as theirs and either can we.

## What We Are Up To

### LEARNING IS FUN!

This week, we will introduce ABC Bootcamp. We will learn to identify, write, and sort pictures that begin with the beginning sound of letters Aa, Bb, Cc, and Dd. One letter will be introduced each day. As soon as we have worked with these four letters, we will begin blending the sounds in order to decode short vowel words.

In math, we are working with numbers 1-5, counting forward and backward, learning to print the numerals, and identifying different ways to express the same number. We are also sorting objects with the same attributes.

### Important Notice

Drop-off for Lower School students begins at 8:15 a.m. Any Lower School child dropped off prior to 8:15 a.m. will be sent to Falcon Club Before School Care. If you are dropping off a Middle School sibling, please drop off at or after 8:15 to avoid having your Lower School child sent to Falcon Club. Thank you for respecting our school hours.

### SPECIAL NOTES

Your children are adjusting beautifully to a long day at school. There were a lot of new routines and expectations this week and they have taken them all in stride. Last Friday, they walked to class independently, unpacked, and got to work just like pros! We are so proud of them.

Each classroom in the Lower School is assisted by a volunteer room parent or two. The room parents help coordinate classroom celebrations and other activities teachers may need help with. If you would like to be considered, please let your classroom teacher know. They will forward your name to our Lower School PFA liaison who will be in touch with those selected to help in this capacity. If more than two people volunteer, we have many opportunities for you to volunteer in other ways. We hope you will consider getting involved!
