What We Are Up To

The children are very excited to share their letter vests with our families. The parade will be held on Friday morning at 8:40 am in the Sports Center. Please plan to be in your seats by 8:40 am so that the children can enter right at 8:45 am.

LEARNING IS FUN!

This week we will finish our study of apples and the life cycle of an apple tree by making applesauce. We will also learn a song about an apple tree and Issac Newton.

FIELD TRIP

On Thursday, October 20, we will travel to Braehead Farm to learn about the life cycle of a pumpkin. We will travel by bus. Parents may meet us at the farm and enjoy the experience with your child. There is a \$9.00 fee per parent which should be sent to school prior to the trip - cash only. We would appreciate it if you would make other arrangements for siblings.

SPIDER DAY

Friday, October 28, will be Spider Day. This kindergarten tradition showcases many spidery activities and is held in collaboration with the other kindergarten section. It is lots of fun and we would like to have some parent volunteers to help with the centers. The event will be held from 10:30 - 12:30.
