Don't Forget

Friday, December 16
Holiday Program 10:00 in the
theater

What We Are Up To

Your children are so excited about the holiday season and have thoroughly enjoyed making gingerbread houses, chasing the gingerbread man, making gifts and learning about different holiday traditions. We are pleased to culminate 2022 with a program for you. The children will be performing in the theater at 10:00 on Friday. Your child should wear "dressy clothes" which means something that he/she would not normally wear to school. School will dismiss for the holiday break at the conclusion of the program.

Gingerbread Exhibit

The theme for this year at the Ferry Farm gingerbread exhibit was "Wonders of the World". We were so excited to see that Estella won second place for her entry. Congratulations Estella!

Amy and I hope that each of you have a wonderful vacation and a happy safe holiday.
We will be anxious to see each of you again in January!
