What We Are Up To

On Tuesday, we will travel to Ferry Farm to view the gingerbread house exhibit. We will only be gone for two hours and will be back at school for lunch.

This Friday, December 9, the children will be decorating their own gingerbread houses. We would love to have parents help your child with this project. We will be decorating from 11:30 - 12:30. Please remember to send in two cans of white frosting (not whipped) and some pretty candy to use for the houses.

Learning Is Fun

Last Friday, your child brought home a special gingerbread man based on the book "The Gingerbread Man Loose in School". He was enclosed in an envelope. Please address the envelope and mail him to a relative or friend who would be willing to take a few pictures of the gingerbread man enjoying a special event or landmark. There is also a self-addressed envelope enclosed for the recipient to return the gingerbread man and the pictures to school. Each child should receive some mail shortly after Christmas. We have had gingerbread men visit the beach, fly on a plane, ride on a lobster boat, and visit the statue of liberty. When they return, we will locate their destination on a map. Thanks for your help with this fun project.

Kindness is a gift everyone can afford!
