What We Are Up To

Last week we unlocked several more secrets! We learned about "Mommy e" who makes her children say their name and then she is quiet. For example, the word "like" has an 'l' that says its name and the 'e' is silent. We also learned how 'ow' and 'ou' say "owwwwww" or "o" hence the bandaid reminder of the first sound. There are so many words that can be read once we know the secrets!

Learning Is Fun

We are working with several different kinds of measurement. We have explored a pan balance and discovered that things that are heavier make the pan lower. We also had a treasure hunt to find objects in our room that were certain lengths. In addition, we are learning about different kinds of weather and talked about being kind and fair like Dr. Martin Luther King spoke about.
