What We Are Up To

LEARNING IS FUN!

On February 6, we will celebrate the 100th Day of school. We will do many fun activities based on the number 100. We are also going to talk about kindness and doing something for others. In a combined effort with the other kindergarten classes, we will try to collect 100 cans of food to donate to the Fredericksburg area food bank. Your child may bring cans to donate any time between now and the 15th. Please see the attached flier.

Valentine's Day

We will be celebrating Valentine's Day at school on Tuesday, February 14. The children may exchange valentine cards with each other. All valentines should be brought to school between Friday, February 10 and Tuesday, February 14 so that they can be placed in each child's special bag. A list of the children's names is attached.

Pizza Lunch

Due to Lower School conferences, please do not order pizza lunch for Friday, March 17.

Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood. –Fred Rogers
