What We Are Up To

Dinosaurs

When we return from winter break, we will be immersed in the land of dinosaurs. Please save medium sized Amazon boxes for us – two to three per family. We will also ask each family to send in a Sunday newspaper so that we can paper mache. These are available at most grocery stores. We would like to have the newspapers brought to school before winter break.

Kindergarten Music Performance

The kindergarten children will be presenting, "Queen Panda Can't Sleep" a musical performance directed by Mr. Santulli, on Thursday, March 16 at 9:00 a.m. The performance will be on the stage in the Reed Theater for your enjoyment. All children should wear dark colored pants and a white shirt. Please pack appropriate clothes and shoes for outside play following the performance.

Conferences

Conferences will be held on Friday, March 17. Available times will be sent out soon. Please do not order pizza lunch for your child on this day.

Happy Valentine's Day!
