### What We Are Up To

#### LEARNING IS FUN

Today we will celebrate the 100<sup>th</sup> Day of school. We will do many fun activities based on the number 100. We are also going to talk about kindness and doing something for others. In a combined effort with the other kindergarten classes, we met our goal by collecting 100 cans of food to donate to the Fredericksburg area food bank. Thank you for your help with this project.

#### ALL BALL

This year's Lower School Parent/Child Dance is Saturday, February 11, from 7-9 pm in the Sports Center. Tickets are \$20 per family.

#### VALENTINES DAY

We will be celebrating Valentine's Day at school on Tuesday, February 14. The children may exchange valentine cards with each other. All valentines should be brought to school between Friday, February 10 and Tuesday, February 14 so that they can be placed in each child's special bag. A list of the children's names was sent home last week.

#### Pizza Lunch

Due to Lower School conferences, please do not order pizza lunch for Friday, March 17. A sign up sheet will be sent home soon.

Remember there's no such thing as a small act of kindness. Every act creates a ripple with no logical end.
