## What We Are Up To

### Kindergarten Music Performance

The kindergarten children will be presenting, "Queen Panda Can't Sleep" a musical performance directed by Mr. Santulli, on Thursday, March 16 at 9:00 a.m. The performance will be on the stage in the Reed Theater for your enjoyment. All children should wear dark colored pants and a white shirt. Please pack appropriate clothes and shoes for outside play following the performance. We will help your child change.

### Conferences

Conferences will be held this Friday, March 17. Thank you for choosing a time on the google doc. We can't wait to share your child's progress with you. Please do not order pizza lunch for your child on this day.

### Dinosaurs

Our room has been transformed into the land of dinosaurs. We have a huge Boxosaurus in our classroom. He is blue and almost as tall as our ceiling. We learned about Pangea the super continent and experienced how plate tectonics works using chocolate pudding with graham crackers (one for each continent) on top. We also learned how difficult it is to be a paleontologist when we tried to pick out the chocolate chips that were buried in a cookie.
