## Don't Forget

March 27 – Dinosaur Projects due

March 31 – Grandparent's Day –  
10:30 Performance

April 1 – Celebrate FA Party and  
Auction

April 4 – Dad's and Dinosaurs  
Night – 6:30pm

April 6 – Rabbit Day

## What We Are Up To

### Dinosaurs

This week we learned about several different types of dinosaurs. We measured a Tyrannosaurus Rex with a fifty foot string. It went all the way down the hall to Nurse Carmen's office! We wrote about an Apatosaurus and constructed a Triceratops. We learned that many dinosaurs had to eat almost all day just to survive. We also talked about the habitat that most dinosaurs lived in. We are excited to see each project next Monday.

### Grandparent's and Special Friends

Friday, March 31, is Grandparent's and Special Friends Day. We will be welcoming these special people to our classroom from 9:15 - 10:00. Then we will be on stage to entertain all of our special friends. This is a dressy attire day. As always, please send regular school clothes and shoes for your child to wear the rest of the day.

### Dad's and Dinosaurs

We are so excited to have our dads experience many of our dinosaur adventures. We invite you to our classroom on Tuesday, April 4, from 6:30 – 7:30 to have fun with your child playing and learning about dinosaurs. It promises to be a fun night.

**Keep smiling, because life is a beautiful thing and there's so much to smile about.**
