What We Are Up To

Dads and Dinosaurs

We had such fun with our dads playing and sharing many of the dinosaur activities that we had in our room. Now the dinosaurs are extinct for another year!

Rabbit Day

Thank you to everyone who helped with Rabbit Day. We all had fun creating each of the rabbit projects. We couldn't have done it without you.

Picture Day

Wednesday, April 26, is class picture day. We will have a group picture taken and there will also be an opportunity for individual pictures if you choose. Please send clothes for PE as well as tennis shoes and we will help your child change.
