## What We Are Up To

### Dads and Dinosaurs

We are so excited to have our dads experience many of our dinosaur adventures. We invite you to our classroom on Tuesday, April 4, from 6:30 – 7:30 to have fun with your child playing and learning about dinosaurs. It promises to be a fun night. Please plan to enter the building through the door that adjoins the playground. We will open the door at 6:30.

### Rabbit Day

Rabbit Day, which is similar to Spider Day, will take place in our classroom on Thursday, April 6, from 10:30 – 12:30. We will have eight rabbit themed projects for each child to complete. We would love to have some parents to help facilitate this event. Please send me or Ally Willis a quick note to let us know if you will be available to help. It is lots of fun. Please plan to arrive at 10:15 so that we can set everything up and explain your station.

**Amy and I hope that each of you will have a happy and safe spring break.**
