8:30**

May 19 – Field Day

May 26 – Last Day of School -11:55

What We Are Up To

Muffins in the Morning

We will be celebrating a wonderful kindergarten year on Wednesday, May 17 at 8:30 in our classroom. We will have a light breakfast and then celebrate each child's accomplishments. They have worked so hard and grown so much. Please park in the back parking lot on the side away from the building so that we do not interfere with the JK and PK carpool line. Then, enter the Lower School building through the front door where you will be issued a visitor's badge.

Butterflies

Our caterpillars have formed their chrysalis and have been transferred into a special butterfly enclosure. We are anxiously awaiting their emergence as butterflies! The circle of life is truly magical!

Field Day

This Friday, May 19, is Field Day. Mrs. Wimble has many special events planned for the children. We will be outside so please sunscreen your child before sending him/her to school. There might also be some water involved so please pack a towel and an extra set of clothes.

“A smile is happiness you'll find right under your nose!”
