Club is available for FA students in the  
Lower School. Please RSVP to Falcon  
Club by Sept. 6 to reserve a spot.

Thursday, September 20  
Picture Day

## What We Are Up To

Your kids are amazing! They are making entries into their Journals, counting and identifying numbers, drawing and coloring, tracing their names, and learning and practicing our classroom rules.

### Letter Bootcamp

Next week begins our Letter Bootcamp. Each day, the children will practice writing, saying, tracing, and using a letter of the alphabet in a number of different ways. Be sure to ask your child about the letter they learned about and the fun activities they did each day!

### Numbers Numbers Everywhere

During Math, we have been learning about numbers, and where we see them every day (clock, signs, addresses, license plates, etc.) Please encourage your child to look for numbers and help them identify the numbers they see.

### New Student

We welcomed Bane Lauer to our classroom this week and are excited to have him join our Kindergarten fun.

Back To  
Sch  !!
