Parent/Teacher conferences. An email was sent with available times. If you have not yet signed up, please do so at your earliest convenience.

Friday, Oct. 5 & Monday, Oct. 8
No school - Fall Break

What We Are Up To

Learning is Fun!

Alphabet Boot Camp (ABC) continues this week with the letters J, K, L, and M. The children have enjoyed hearing books with these letters in the title.

We finished our Numbers book and are reviewing writing and identifying the numbers. You can help your child by pointing out different numbers in the world (house addresses, numbers on a clock, speed limit signs, etc.) and asking him/her to identify the numbers.

Green Folders - You will find an envelope with all your sight words in it together. Please review them with your child and return the words in the envelope each night. You will also find the first of many "books" that your child has begun reading in our groups. Ask your child to read the book to you and keep it at home for continued reading fun. ☺ Our students love to show off their reading skills!

Science Time Our Friday was spent creating apple baskets out of tape, popsicle sticks, string and other unique materials. Each child had to carry apples in their basket without having them fall out. We also made homemade applesauce which was DE-licious!

Scholastic book orders are now available! See information and details inside your child's green folder.
