## What We Are Up To

Rain. Rain. Go Away! We have had some rainy days  
lately which means indoor recess. Some days we've  
found breaks in the clouds to spend time outside during  
recess. ☺

**LANGUAGE ARTS** - We continue working on sight  
words. The newest additions are Go, It, Is, To, and Me.  
Please keep practicing with your child so they will  
remember each sight word independently.

**MATH** - Although our Numbers Book already went  
home, we are now perfecting how to write our numbers  
and playing games with numbers. Additionally, we  
reviewed shapes, and compared things that are the  
same and others that are different. Next week is the  
beginning of October so we will have brand new Math  
Tubs with which to play!

**SCIENCE** - We are working on the 5 senses and began  
with Sight and Sound experiments. Ask your child  
about the Skittles experiment and our Scavenger Hunt!

Conferences are next week and we are excited to speak with you about your child's successes.  
If you have not yet signed up, please contact one of us for available times.
