## What We Are Up To

### Language Arts

Alphabet Boot Camp (ABC) has begun! Every day we will practice a new letter and identify words beginning with that letter, play games with that letter, and practice writing that letter. This week, we've worked on A, B, C, and D! Be sure to ask your child what words s/he knows beginning with those letters. ☺

Be on the lookout next week for the "Sight Word Flash Cards" in the green folders!

### Math

Numbers! Numbers! Numbers! We are all about learning our 1-2-3's. Each number will have a fun rhyme and students have their very own Numbers Book. We even have Math Tubs with which the children can play and practice their understanding of numbers.

### Visitors in our Class

Mr. Ross, FA's Maintenance Supervisor, installed a projector screen and the children enjoyed watching him use his tools. Ms. MaGee, FA's Counselor, also visited to introduce herself to our class. She brought her stuffed animal "Guinea" for each of us to hug! ☺
