the
**FASHION
SHOW**

Spirit Week was such a fun time. Our class showed their school spirit with crazy socks, hair, tacky outfits, and lots of pep at the parade and pep rally.

Boot Camp is over - - it was a fantastic way to begin the year as a review of all our letters! Our fashion show was a hit and thanks to everyone for helping your child create lovely and "fashionable" vests for the show.

Math has been great fun and we finished our number instruction. We will keep repeating our number rhymes so the children can remember how to form each number. No worries if your child writes some numbers backwards as we will continue to work on that. We will focus on the teen numbers next and work in more patterning, graphing, and counting.

IMPORTANT NEWS FROM HEAD OF LOWER SCHOOL

Please make helping your child learn to buckle and unbuckle his/her carseat independently a priority. The teachers and staff on carpool duty will **NOT** be able to assist your child. Until your child is able to do this on his/her own, please be prepared to assist your child, or park in the Lower School parking lot and walk your child in and out. Thank you for your assistance!

Children want the same things we want. To laugh, to be challenged to be entertained, and delighted. ~Dr. Seuss
