Teacher Work Day. No Classes for Lower School

## IT'S FINALLY FALL

Our Pumpkin Patch field trip was fantastic! The weather was perfect, the animals were so fun to see and the kids had such a great time learning and playing all around the farm. Thank you to all the parents who volunteered their time to join us! ☺

Baggie Books - Your child will start bringing home reading level appropriate books in a pouch. Please take time to read these books with your child and be sure they are returned the next day.

### Pumpkins Pumpkins Everywhere!

Our pumpkin theme continued this week! During Science, we measured, weighed, identified and found out which pumpkins floated or sank. We also made some delicious pumpkin pancakes in our classroom and made jack-o-lantern faces with chocolate chips!

Penny Drive - Second graders kicked-off our Annual Lower School Penny Harvest. Each child will receive a water bottle to bring home. We would like your child to drink the water and then fill the bottle with pennies. The filled bottles should be returned to the second-grade classes and at the end of the year, students will decide to whom the pennies will be given. The goal is to help the children realize that they have the ability to make the world a better place, a few pennies at a time.

Message from Head of Lower School - We welcome family members to join their children during lunch throughout the year. Please keep in mind that in accordance with the FA Student Parent Handbook, **parents are asked not to bring special or fast-food lunches to school for their children, except for special occasions when the entire class is included.** Thank you for your cooperation.

*It's cold, flu, sniffly, sneezy and coughing season. If you have boxes of tissue at home that you can share, we would welcome them in our classroom. Thank you in advance. ☺*
