fear itself...**

And spiders. 😊

Happy Halloween!

ALL ABOUT SPIDERS!

SPIDER DAY IS HERE!! What a creepy, crawly, spidery day we had. Thank you so much to all the parents who were able to volunteer, help with supplies and celebrate our annual Spider Day with us. Our activities, decorations, and yummy treats helped to make Spider Day a HUGE success!

Second Grade Penny Drive - Thank you to those who have brought in bottles of pennies already! If you find more pennies, you can put them in the small container or bag and bring them in to our class to help benefit our community. We will count them in our class and bring them to Second Grade.

What's Happening in our Classroom?

We've been working in our three (3) groups this week. In Language Arts, we are reading books and sending them home in our special pouches in the green folder. Thank you for reading with your children and returning the books each day. In Math, we are reviewing numbers, 10-blocks, and we've started looking at signs such as the plus sign (+) and the equals sign (=) and adding numbers together.

A Message from Head of Lower School

While we encourage Lower School parents to take an interest in the education of their children, if you would like to visit your child's classes, please arrange such a visit with Patty Estes, our Head of Lower School. Parents may not visit Middle and Upper School classes.

Thanksgiving break begins Wednesday, November 21 at 11:45am and school resumes Tuesday, November 27. If you plan on leaving early for the holiday, please let us know.
