House Workshop and Exhibit

Friday, December 14

Gingerbread House decorating
Parents encouraged & welcome to help!

Saturday, December 1

Holiday Breakfast
9:30am – 11:30am
Upper School Commons

Stone Soup

STONE SOUP CELEBRATION

We had a wonderful celebration with each of our classmates bringing in something to add to our delicious Stone Soup. The children enjoyed cutting up the vegetables and while we ate our delicious soup, we were sure not to eat the stone! ☺ Thank you parents for your continued support of our classroom activities.

KINDNESS COUNTS

It's been such fun watching the children find ways to be kind in our classroom and around our school. We've started a "Kindness Jar" and when it is full, there will be a special surprise for the entire class. Please continue to encourage your child to perform random acts of kindness. ☺

LOTS OF LEARNING

In Math, we are excited to count by 10's. The children learned a new song to help them remember and we've been using a turkey craft with "count by 10's" feathers to help us recognize the numbers! During Language Arts, the children are busy writing in their journals, practicing using upper and lower case letters, sounding out words, and writing on the lines.

COATS AND SWEATERS

These days, the weather is fluctuating. Cold in the mornings.
Warm in the afternoons.
Please be sure your child wears (or brings)
warm clothing as we try to go outside as often as possible.

We wish you and your family a happy, healthy, and enjoyable Thanksgiving break!
