Decorated turkey feathers due back to our class.

Tuesday, November 6

Election Day – We have school!
If you are over 18 years old,
don't forget to vote!

Wednesday, November 14

Stone Soup Celebration.

A wonderful Kindergarten tradition! We will send home your assigned ingredient to bring in for us to cook on Tuesday, November 13th and our feast is Wednesday! We will need a few parent volunteers to help serve.

Halloween has come.....and gone!

What a "spook"tacular time we had on Halloween at the parade and our post party. The students had such fun showcasing their costumes and we are very grateful for the parents who contributed treats and snacks for our party. Thank you!

This week in Language Arts we've spent time reading our baggie books and following along with our "reading" finger and continuing to review our sight words.

In Math, we continue practicing patterns, tally marks, sorting and adding numbers using different manipulatives.

Thanksgiving is coming soon and we are excited to see all the turkey feathers return to our class on Monday. We can't wait to make a giant turkey on our bulletin board

Has your child mentioned Star Cards? We are excited to give out Star Cards to each student who is making good choices throughout the day without a teacher reminding them. They love to "cash them in" for special privileges and ask that you continue to remind your child about making good choices throughout the day!

Thanksgiving break begins Wednesday, November 21, 2018 at 11:45am and school resumes Tuesday, November 27. If you plan on leaving early for the holiday, please let us know.
