100-Days of School

We are celebrating our 100th Day of School by performing a Service Project and collecting 100 cans of non-perishable food items. Please help us reach (and hopefully exceed) our goal by having your child bring in donations.

SLEEPOVER PARTY

What a fun time we had today! We read the Dr. Seuss book *Green Eggs and Ham*, enjoyed some homemade ham, eggs and donuts for snack, played games, watched some movies, ate popcorn, and had a really fun time!

WEATHER

This crazy weather has us spinning in circles some days. Mornings are chilly. Afternoons can be cool or warm. Thank you for continuing to bring layers for your child to wear when we play outside.

LEARNING

We continue to review blending sounds, identifying the beginning, middle, and ending sounds of words, and students are reading the morning news out loud. In Math, we are learning about pennies, nickels, dimes and quarters, their physical attributes, their worth, and adding and subtracting.

SIGHT WORDS AND BAGGIE BOOKS

Inside your child's green folder you will find an envelope of sight words and a pocket with a classroom book which your child reads during school. Please take time to review the sight words with your child and ask your child to read the book to you.

"You do not like them, so you say. Try them! Try them! And you may."
-Dr. Seuss
