FAMOUS AMERICANS BOOK

We are almost done learning about some Famous Americans and soon the students will be bringing home their own book with lots of information! We hope you will look through this book with your child and discover all the amazing things they learned in school.

IS IT SPRING OR WINTER?

This weather not only brings confusion to the birds outside, but also to some of our students. Please be sure to pack a jacket for your child as we try to go outside every day. Sometimes the weather can change from hot to cold or vice versa so it's always good to be prepared.

IS YOUR CHILD FEELING ILL?

Along with changing seasons comes lots of sniffles, sneezes, and coughs. We know you are trying your best to help avoid spreading germs and we appreciate your keeping your child home if s/he has a fever, has vomited in the past 24 hours, or is just not feeling well enough to come to school.

PRE-ORDER YEARBOOKS NOW DISCOUNTED PRICE STILL AVAILABLE!

The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart. Helen Keller
