Dads and Dinosaurs

Friday, April 5

Grandparents and Special Friends Day

Saturday, April 7

Celebrate FA Auction

## DINOSAURS CONTINUE

By now most of you have seen or heard about our pet **Boxosaurus Rex** in our classroom. We've also created paper mache dinosaurs and learned the differences between carnivores, herbivores, and omnivores. Don't forget about the dinosaur take-home project to work on with your child which is due Friday, March 22<sup>nd</sup>.

## DADS AND DINOSAURS

We welcome Dads, Uncles, Grandpas and/or other special friends in your child's life to join us for an evening of fun, learning, and of course, dinosaurs on Thursday, March 28<sup>th</sup>.

## GRANDPARENTS AND SPECIAL FRIENDS DAY

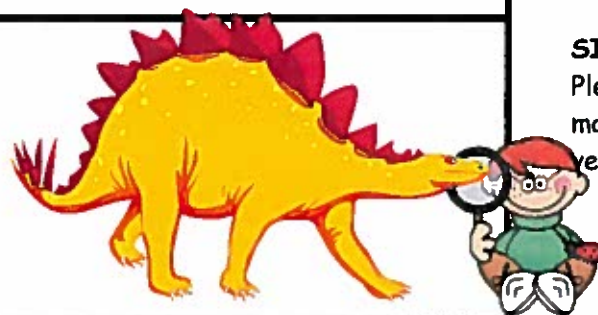

Save the date! Friday, April 5<sup>th</sup>, grandparents and special friends of your child are invited to our school and our classroom in the morning.

## MARVELOUS MATH

In math, we've been learning about 3-Dimensional shapes and their characteristics. We are also beginning to tell time and continuing our studies of money, the value of coins, and how to combine the value of different coins.

## SIGHT WORDS

Please continue to practice sight words (located in the small manila envelope in the green folder) with your child. It is very helpful as they progress in their reading fluency.

*If you're upset, just imagine a T-Rex making a bed!*
