Rabbit Day

DINOSAURS GALORE

Our class has been learning all kinds of fun facts about dinosaurs. To make it fun, we used paper mache, created skeletons, colored pictures, watched short movies, and read books about carnivores and herbivores.

DADS AND DINOSAURS

Welcome Dads, Uncles, Grandpas and/or other special friends in your child's life! Please join us for an evening of fun, learning, and dinosaurs on Thursday, March 28th.

GRANDPARENTS AND SPECIAL FRIENDS DAY

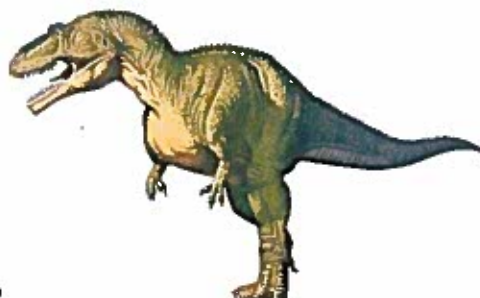

Friday, April 5th, we invite grandparents and special friends of your child to join the FAmy and our classroom in the morning. More information will follow soon.

RABBIT DAY

Similar to Spider Day, parent volunteers are welcome to help run various rabbit craft stations from 10:15 until noon on Wednesday, April 12th. Please let us know if you can help.

OUTSIDE

It's that time of year - - 70 degree temps on one day and 30's the next. Please be sure to have your child dress in layers and bring a warm jacket as we go outside as often as possible.

"If history repeats itself, I am SO getting a dinosaur."
