Classes Resume

DINOSAUR SHOEBOXES

You and your children worked so hard on the dinosaur shoebox project. Each child presented their work in front of the class and the pride of their accomplishment was evident! Thank you for helping them achieve their goals.

DADS AND DINOSAURS

What a fun evening! It was DINO-rific! Students shared their projects, writings, and fun dinosaur activities with their dads and guests. We had dino puzzles, bones, games, and an incredible erupting volcano! Thanks to everyone who was able to join us.

GRANDPARENTS AND SPECIAL FRIENDS DAY

Friday, April 5th from 8:15am - 11:30am we invite grandparents and special friends of your child to join the FAMily for a morning of visiting classrooms, viewing our art show, and attending performances in the theater. **Please RSVP** at the following link so we can plan the morning accordingly. www.fredericksburgacademy.org/gpsf2019 Check in will be at the Sports Center beginning at 8:15am.

WHAT'S UP NEXT?

As our month of dinosaurs comes to a close, we are gearing up for all things spring. Some exciting things planned are to learn about chickens and the process by which they grow (thanks to Charles' mom for bringing in the eggs, incubator, and teaching us,) flowers, butterflies, rabbits and so much more! It's hard to believe we have only 2 more months of school left before the summer!

(Insert wide eyes!) ☺

It's kind of a dinosaur thing we've had going on here!
