Evening with Dads and Dinosaurs

Friday, April 5

Grandparents and Special Friends Day

Saturday, April 6

Celebrate FA Auction

Spring Break

April 22 - 26

## FABULOUS PERFORMANCE

What a wonderful Kindergarten Performance. We are so proud of the students' hard work and talent and special thanks to Mr. Santulli!

## DINOSAURS

During the month of March, we are learning all about dinosaurs. We learned about paleontologists and the different types of dinosaurs. We also created fossils, and will build a HUGE dinosaur in our classroom. Don't forget about the take-home project to work on with your child which is due Friday, March 22<sup>nd</sup>. It will be an exciting few weeks!

## JOURNALS

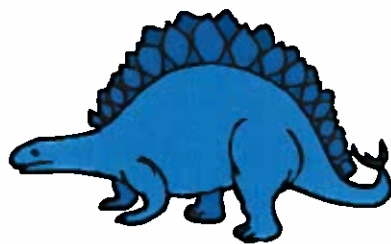

Our students are busy writing almost every day about a variety of topics. Please continue to review the sight words with your child as it helps them in their writing and reading!

## EXTRA CLOTHES

Please take a look at your child's extra clothes in their backpack. So many of our students have gone through a growth spurt - be sure the clothes are the correct size.

## CONFERENCES

Parent/Teacher Conferences will be held Friday, March 15<sup>th</sup>. A link to a google document was emailed to parents this week. Please let us know if you have any questions. We look forward to meeting with you and discussing your child's progress in school!

*Dinosaurs may be extinct from the planet, but they are alive and well in our imaginations.*
