Monday, May 27

**Last Day of School & Early Dismissal**

Friday, May 31 - 11:55am

**EGGS EGGS EVERYWHERE**

Charles' mom visited us yesterday and showed us what the insides of the eggs look like. It was really neat to see the eye, the veins, and the air sack. We also learned the life cycle of the chick and made a fun craft to remind us. It's an exciting time in Kindergarten!

**MUFFINS FOR MOM**

Please join us for "Muffins with Mom"

Wednesday, May 22 from 8:30am - 9:30am. We will have some delicious treats and special gifts just to celebrate moms.

**SIGHT WORDS**

The end of the year excitement is upon us, however we are still learning a lot in our class. One of the ways you can help is to continue practicing sight words at home with your child.

**MATH**

Fractions are the latest math concept about which we've been learning including whole, half, quarter, and third. Try practicing with your child at home. For example, after eating half the pizza, ask your child how much is left? (Answer - half a pizza) ☺

*Our Kindergarten class is "Egg"celent!*
