GARI MELCHERS FIELD TRIP

It was a great day -- warm temperature, gentle breeze, sunny sky, beautiful home and art studio, and fun-loving kids! Everyone seemed to have a wonderful time walking around Gari Melchers Home and Studio, picnicking in the park and playing on the playground.

MUFFINS FOR MOM

Calling all Moms! Please join us for "Muffins with Mom" Wednesday, May 22nd from 8:30am - 9:30am.. We will have some delicious treats and special gifts just to celebrate you.

EGGS EGGS EVERYWHERE!

We are super "egg"cited to have an incubator filled with chicken eggs in our classroom. Thanks so much to Charles' mom. She is spending time teaching our class all about eggs, how the eggs will grow and what they look like at each stage of incubation. We will have the incubator in our classroom for the next few weeks and it will such fun to watch the process.

LANGUAGE ARTS

New sight words were added to your child's folder this week. Please take some time to practice these words. Also, the children love to read the books that come home in their pouches.

MATH

We've been working on fractions and telling time to the hour and to the half hour.

*Frogs croak. Rain soak. Chicks peep. Crickets leap.
Bees hum. Robins come. Birds Sing. It's spring!*
