

# Project—Please Help

- Next week we will begin our first project called a “Me Museum.”
- Please help your children remember to bring one object to school **on Monday** that will help us get to know them better. For example, if I play the piano I could bring in a page of sheet music or a small plastic piano. If I like to read, I could bring in my favorite book. If I like to play soccer, I could bring in a shin guard.
- Please do not send in expensive items.
- The object should fit inside a large ziplock bag, but it doesn't have to zip closed. 😊
- We will keep these objects at school for approximately 2 weeks.

# Third Grade Newsletter – September 20, 2019

Would you like to receive updates this year? Would you like to see pictures as soon as they are posted? Please subscribe to our blog! In third grade, we communicate with parents through blog posts. To make sure that you are receiving important classroom and grade level updates, please subscribe to the blog. To subscribe, simply visit our blog and enter your email in the subscribe box. Our blog address is listed in the important date box on this newsletter.

## Homework

Please take time each evening to review your child's homework. This should be a collaborative activity. This is especially important if the work is completed away from home. Please remember that the homework room in Falcon Club is not instructional. It is only intended to be a quiet place to complete work. Thursday night word study homework (practice test) will need to be completed at home and recorded in the word study homework book.

## Word Study Tests

Word study tests come home each Friday in orange folders. Please take a moment to review your child's test along with the other assignments.

## Conferences

We are very excited to meet with you to discuss your child's progress so far in third grade! Please sign up through the Google doc. The link was sent home via email on Wednesday this week. If you would like to conference with your child's math teacher, please contact her directly to schedule a separate time.

## Spirit Week

Next week we will celebrate Spirit Week throughout the school. The lower school will observe the following activities for Spirit Week:

Monday—Wear your favorite sports team shirt

Tuesday—Backwards or inside out clothes day

Wednesday—Crazy hat day

Thursday—Crazy sock day or slippers day (please bring regular shoes for recess)

Friday—Wear blue/green and FA logo attire

## Important Dates

October 5-----Fall Carnival

October 10-----Parent Teacher Conferences  
(evening hours)
